Opgave B Gruppe 2116

Imaging yourself as responsible for setting up a virtual collaboration environment for your company involving 3 offices at different places. Specify the needs that the new collaboration environment shall support (e.g. team work in project, social interaction, learning, customer support,...).

- God bandbredde – for at undgå lag.
- Realistisk – store skærme/hologram/lyd
- Mulighed for mange deltagere
- Sikkerhed/VPN
- Brugervenligt og anvendelingt for alle operativsystemer/browser
- VB –så en hel gruppe, fra forskellige kontorer, kan gå rundt I same bygning.
